#### **QUOTE OF THE DAY**

"War is what happens when language fails." - Margaret Atwood

"There are people. There are stories. The people think they shape the stories, but the reverse is often closer to the truth." – Alan Moore

"Start with what is right rather than what is acceptable." - Franz Kafka

"If I can stop one heart from breaking, I shall not live in vain." – Emily Dickinson

"I have learned to live each day as it comes, and not to borrow trouble by dreading tomorrow. It is the dark menace of the future that makes cowards of us." – Dorothy Dix

"A lot of being a poet consists of willed ignorance. If you woke up from your trance and realized the nature of the life-threatening and dignity-destroying precipice you were walking along, you would switch into actuarial sciences immediately." – Margaret Atwood
